

## WARREN DOG PARK

The Warren Parks and Recreation Department is happy to offer our furry four-legged friends and neighbors a new area to exercise and play off-leash in a controlled environment under the supervision of their owners.

The dog park facility is located North of the Franklin Street Park & Ride and East of the East Bay Bike Path. It contains 2 fenced in areas, one for small dogs and one for large dogs.

Fundraising efforts to complete phase II and maintenance fees are now underway.
